Mister Bubble and the Greedy Triplets

The Adventures of Mister Bubble are based on childhood tales told to my sisters and me before bedtime. It is my hope that the parents and children who have purchased this series of books get as much enjoyment out of reading them, as I did hearing them.

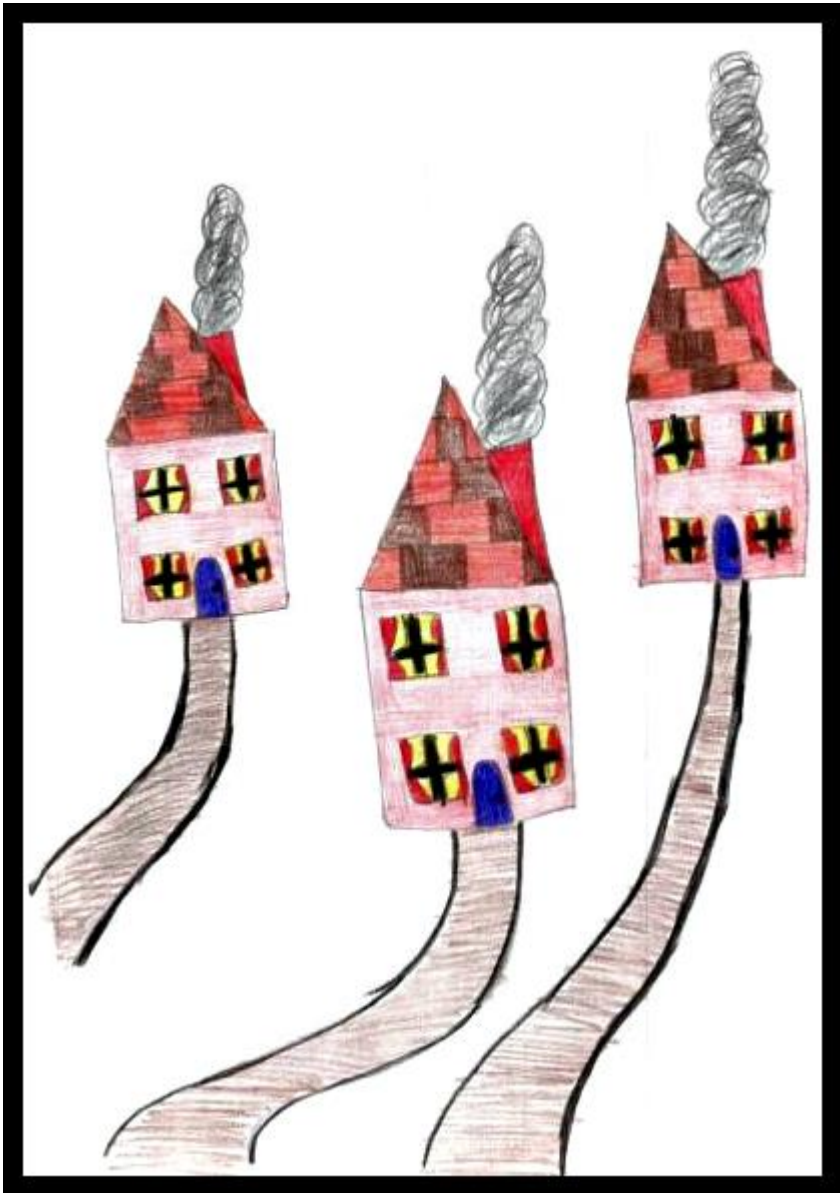

**This book is dedicated to all children who
are kind and good.**

**May all your wishes and dreams come
true.**

There were once three very greedy brothers. They were triplets and looked exactly like each other!

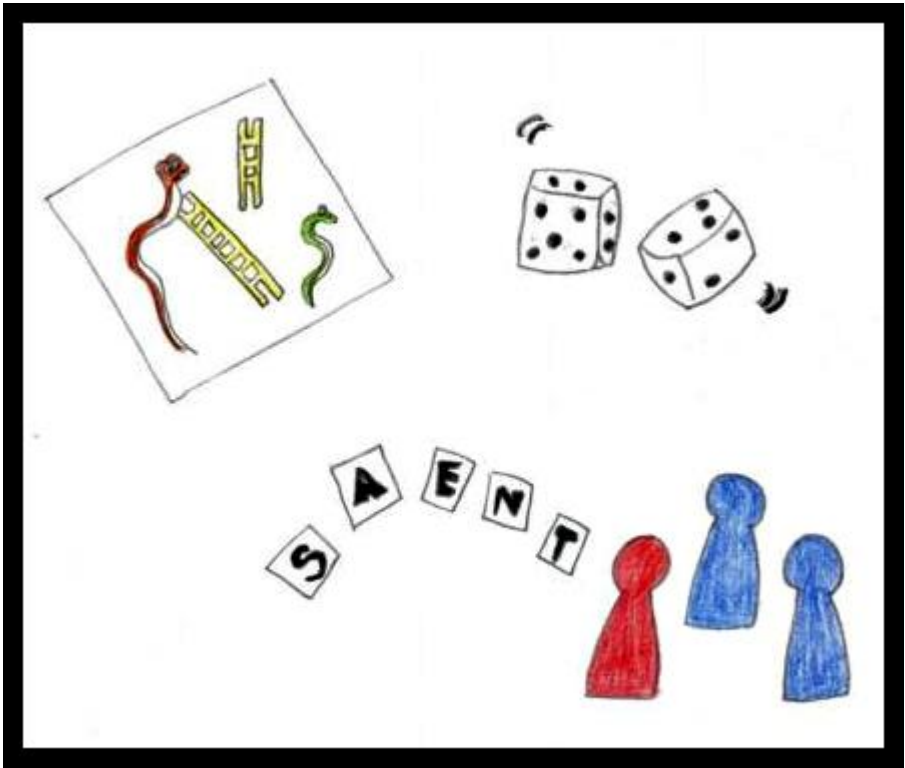

They lived in a small village full of happy children who loved to share and play games in the village park.

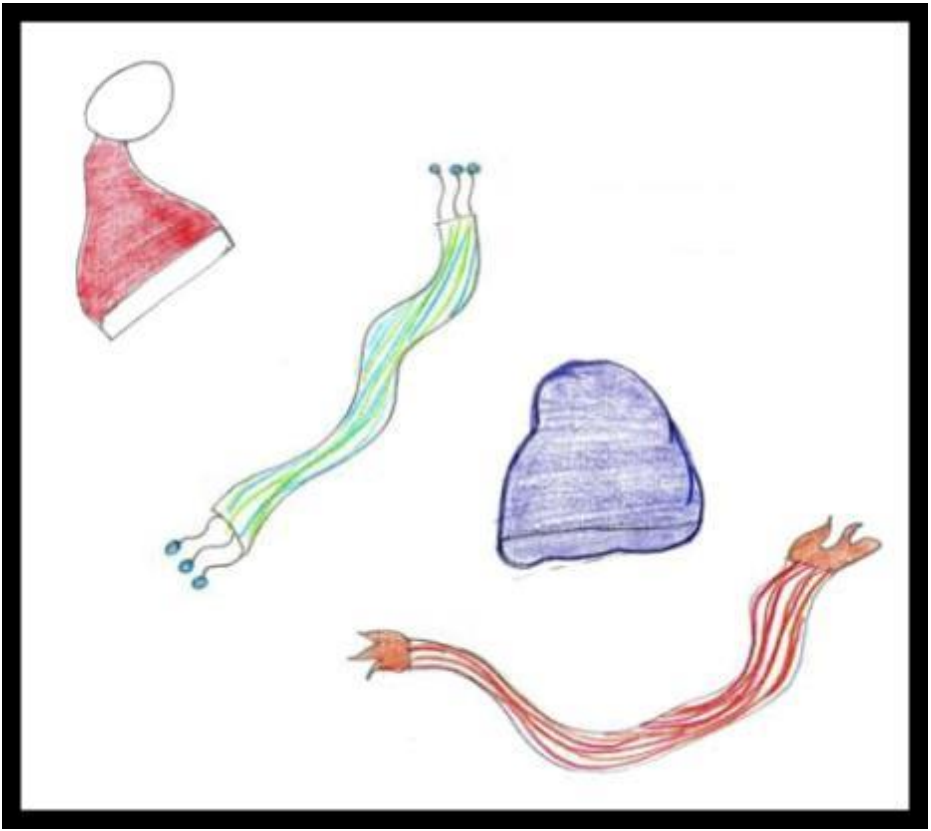

They shared their sweets.

They shared their toys.

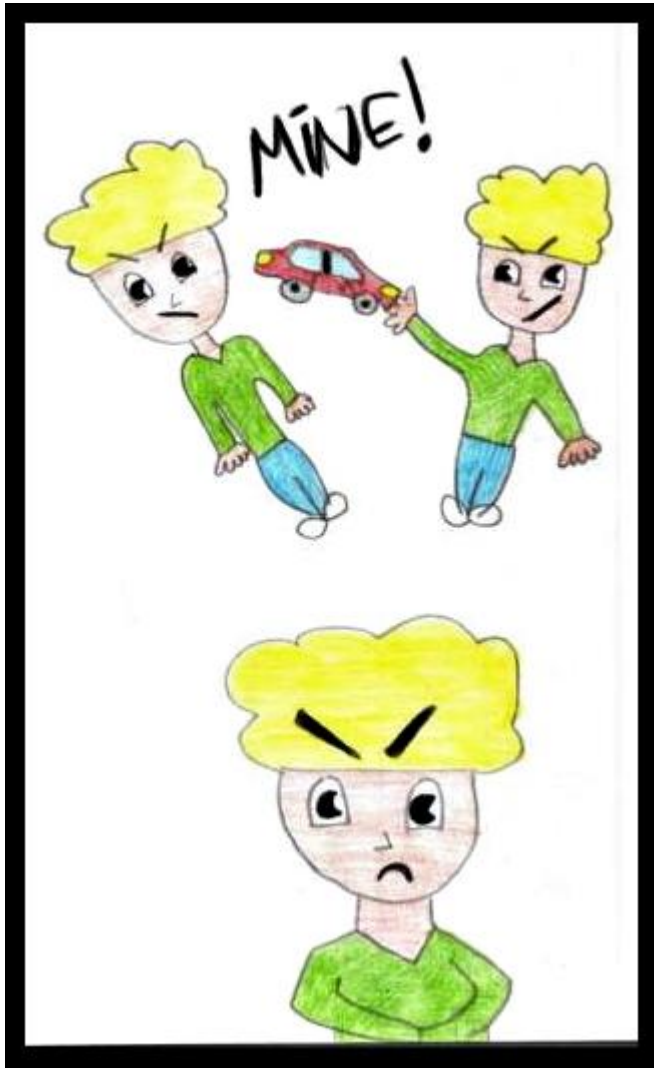

They shared their games.

They even shared their hats and scarves when others were cold.

The three greedy brothers didn't like to share anything.

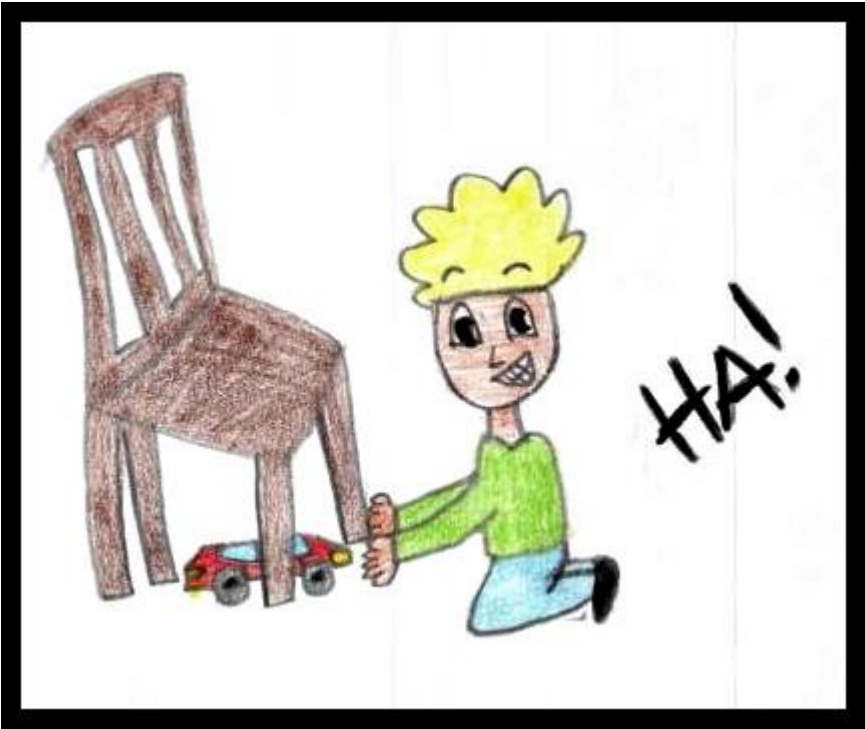

They didn't even share with each other!

They snatched and grabbed.

They screamed and stomped.

And they hid their things so no one else could touch them.
